

ESSENTIAL SERVICES WITH ACCIDENTAL DAMAGE FOR MOTOTRBO TWO-WAY RADIOS

SUPPORT WHEN YOU NEED IT

The advanced capabilities of your MOTOTRBO platform ensures communications are safe, clear and reliable across your enterprise. Keep your two-way radios up to date and secure with Essential Software/Repair for MOTOTRBO.

Adding Accidental Damage offers you peace of mind with full coverage to keep you worry free. Essential Services with Accidental Damage provides you with additional coverage for your two-way radios for repair and replacement beyond normal wear and tear.

ESSENTIAL WITH ACCIDENTAL DAMAGE FOR TWO-WAY RADIOS

Essential Software/Repair provides access to Premium software features, software updates and hardware repair. Adding Accidental Damage offers you peace of mind through full coverage, no questions asked.

Water, chemical, or physical abuse are not a concern with the Accidental Damage option, so your radio repair and replacement costs are fixed and predictable. All radios are returned to factory specifications, updated with the supported firmware and shipped back to you within three days. Service centers are certified to comply with ISO9001.

Here are some examples of items included with Accidental Damage Coverage:

- Electrical repair for failures caused by accidental water damage or accidental internal damage
- Replacement of accidentally cracked or broken housings, displays or missing keypads/buttons.

With Accidental Damage, you will always know you will have your two-way radio repaired or replaced, no questions asked. Keep your operation focused on the tasks at hand with Essential Software/Repair with Accidental Damage.
